

GST Registration Documents Checklist

Covai Accounting Services · Coimbatore GST Practitioner (Enrolment No. 331800001760GPU)

Core documents needed for every application

- &b01PAN card and Aadhaar of proprietor / all partners / all directors
- &b01Passport-size photograph of each applicant
- &b01Business address proof — electricity bill, property tax receipt, or rent agreement
- &b01NOC from the property owner, if the premises is rented or shared
- &b01Bank account statement or a cancelled cheque
- &b01Digital Signature Certificate (DSC), for companies and LLPs

Additional documents by business structure

Structure	Additional document needed
Partnership firm	Partnership deed (notarised, if not Registrar-registered)
LLP	LLP Agreement and Certificate of Incorporation
Private Limited / OPC	MOA, AOA and Certificate of Incorporation
Co-working / shared premises	Owner → operator → applicant occupancy chain, documented with NOCs at each link

The three most common reasons applications get delayed

- &b01Address proof that doesn't exactly match the applicant's name (common when a shop runs in a family member's name)
- &b01Missing or incomplete NOC for rented or shared premises
- &b01Photographs that don't meet the GST portal's technical specifications

This checklist is for general guidance and reflects document requirements as of the date issued. GST portal requirements can change — confirm current specifics before filing, or let us handle the application end-to-end. This is not a substitute for professional advice on your specific situation.
